WORKSHOP IN SINGAPORE & INDIA | FLYING TEAMS

We are excited to announce that Piraeus Marine Services S.A. has established a new partnership with a skilled team in **Singapore and India**. Our experienced professionals, including **engine fitters, welders and electrical engineers**, are ready to meet a variety of maritime needs.

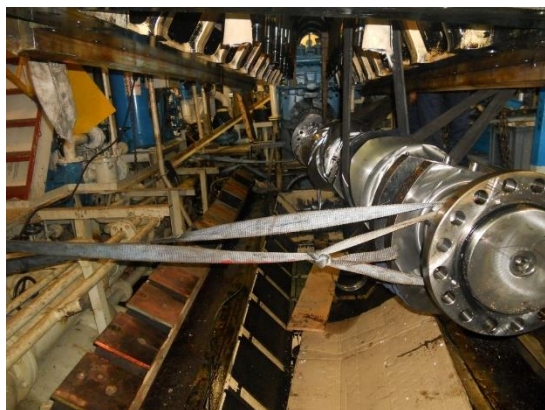

With a well-equipped workshop, our team can board vessels at any time to provide fast, efficient service. From emergency repairs to routine maintenance, we deliver high-quality support to keep your operations running smoothly.

In **Singapore**, we are fully equipped to provide the full range of services mentioned below. In **India**, services will be offered on a case-by-case basis, primarily along the west coast.

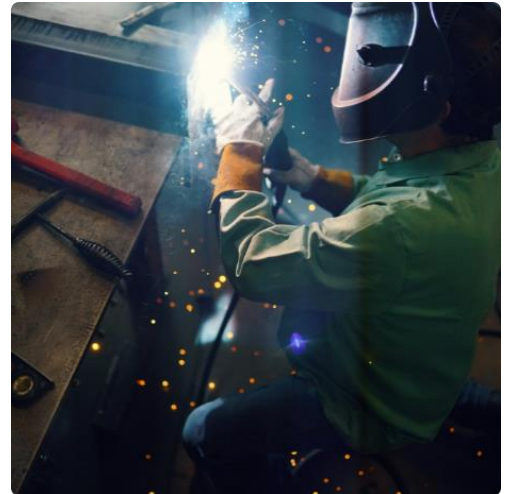

CORE SERVICES & FACILITIES

M/E Services: Unit decarbonization, piston crown/skirt change with renewal of piston rings, stuffing box renewal & inspection, removal & replacement of liner, on-site inspection of bearings, troubleshooting & inspection of Alpha Lubrication system, maintenance of electronic engine machinery.

A/E Services: Engine decarbonization (intermediate & major overhauls), crankshaft & camshaft replacement, vibrational damper replacement, overhaul of cylinder heads and hydro pressure testing, overhaul of pistons & connecting rods, including calibration, renewal of main bearings & connecting rod bearings, overhaul of fuel pumps, high/low temperature pumps, and lube oil pumps, rewinding of alternators.

Other Services: Piping/steel repairs & fabrication, Refrigerator/electrical/hydraulic repairs, painting services for name changes, Boilers & incinerators repairs, thruster overhauls & deck machinery services, special projects, automation systems, vibration analysis, thermography, and structural ultrasound.

We are committed to providing reliable, 24/7 assistance and maintaining the highest standards in marine services. Expanding into these regions allows us to better serve our global clients with the expertise and efficiency PMS S.A. is known for.

We look forward to working together and continuing to provide exceptional service for all your maritime needs!

We remain at your disposal for any information you may require.

Best Regards,
